April 28 – **Part II** Monochromatic Sky with City Silhouette and Reflection

May 5 – No Class

May 12 – Snow date #1 (possible make-up date)

May 19 – Snow date #2 (possible make-up date)

Hello again to all of my returning Home School students and families, and I look forward to meeting those of you who may just be joining my classes this school year. For those of you who do not yet know me, here is a little information about myself. This is my ninth year of teaching Home School Art, I have also taught a variety of youth art classes at The Hayner as well as been an art instructor for the past ten years at the ever-popular “Art Day Camp”. I am very blessed to be able to balance my work at the Hayner with my job at Troy Christian Elementary, where I teach at to kindergarten through sixth grade. On a personal note, my husband and I live in Troy along with our 4 awesome kids. As you can imagine, they keep us pretty busy. I have always loved art and have been doodling, drawing; painting and basically doing anything that expressed my creative side for as long as I can remember. Following high school I attended a 2-year art program at The School of Advertising Art, where I graduated 2nd in my class. After working for a couple of years designing monuments and memorials, I took some time off from the full time work force to take care of my family, but always managed to partake in some freelance artwork. My favorite of which, is painting children’s murals.

My goal with the Home School Art Program is to help the students build a strong art education foundation, teach basic art and design principles, as well as expose students to art history and famous artists and art styles. My lesson plans will cover a wide variety of mediums and techniques. In the case of bad weather, please check to see if Troy City Schools cancels for the day, if this occurs I will also be cancelling my classes. I am including a make-up day this session. If a class needs to be cancelled, it will be made-up on December 16th. In the case of a Troy City School delay, I will be holding classes as scheduled. Please be sure to register and fill out a new form, with your current information. I especially need to make sure I have your current phone numbers should an emergency occur during class. You can register online or stop by the Hayner anytime. A spot for your child may also be reserved if you call. If you know of anyone who might be interested in taking home school art, I would really appreciate it if you pass along the information for my classes or have them contact the Hayner or myself directly. I hope your child will join us and I look forward to another great semester! Please feel free to call or email me with any questions at 339-8545 or flory6@woh.rr.com Time is precious and it seems we are all very busy.

Sincerely, Dawn M. Flory
