

• **THESE ARE YOURS TO KEEP**

- **All pre-drawn designs** (makes it easier for you!) These are line drawings that you will trace onto watercolor paper.

• **THE FOLLOWING ARE TO BORROW from Donna, and are to remain in the classroom.**

- **Small spray bottles and small squirt bottles** for water
- **Heavy Duty plastic palette** with gorgeous, gem-like pigments (watercolor paint), already in the palette
- **Watercolor paint** These pigments are Artist Grade, Professional watercolors. You will experience success and glorious gem-like strokes of color! [**12 - 24 colors dependent upon specific project**]
- **Plexiglas** *to borrow* from Donna during class [Your projects will remain in the classroom between lessons, on this plexiglas]
- Old, smallish brush to apply masking fluid

BRING THE FOLLOWING FROM HOME

1. YOUR OWN REFERENCE PHOTOS, WHATEVER YOU WOULD LIKE TO PAINT.....THESE CAN BE ACTUAL PHOTOS OR YOU CAN ALSO BRING AN IPAD TO PAINT FROM
2. **TWO LARGE PLASTIC CONTAINERS FOR WATER** (should hold at least **4 cups** each)
3. **LARGE BATH TOWEL** (choose an old one; paints WILL stain this, expect this to happen)
4. SUPER SOFT **PAPER TOWELS (BOUNTY OR KLEENEX HAND TOWELS)** WITH NO PATTERNS, NO LINES, NO COLORS of any kind (cheaper brands are too weak, and any patterns on the paper towel are not desirable...seriously, the patterns will show on your painting...and you won't like that)
