

• **THESE ARE YOURS TO KEEP**

- **Watercolor Paper** - artist professional grade 100% cotton rag, 140# Arches Cold Press paper

• **THE FOLLOWING ARE TO BORROW from Donna, and are to remain in the classroom.**

- **Small spray bottles and small squirt bottles** for water
- **Heavy Duty plastic palette** with gorgeous, gem-like pigments (watercolor paint), already in the palette
  - **Watercolor paint** These pigments are Artist Grade, Professional watercolors. You will experience success and glorious gem-like strokes of color! [**12 - 24 colors dependent upon specific project**]
- **Plexiglas** *to borrow* from Donna during class [Your projects will remain in the classroom between lessons, on this plexiglas]
- **Gator Board** *to borrow* from Donna during class [Your projects will remain in the classroom between lessons, on this gatorboard]
- **Tracing paper & Transfer paper** (if required for your specific projects) *to borrow* from Donna during class
- Old, smallish brush to apply masking fluid

**BRING THE FOLLOWING FROM HOME OR PURCHASE FROM  
BROWER'S OFFICE SUPPLY.**

1. **TWO LARGE PLASTIC CONTAINERS FOR WATER** (should hold at least **4 cups** each)
2. **LARGE BATH TOWEL** (choose an old one; paints WILL stain this, expect this to happen)
3. **STAPLER** that opens up to staple (like against a bulletin board)
4. SUPER SOFT **VIVA PAPER TOWELS** WITH NO PATTERNS, NO LINES, NO COLORS of any kind (cheaper brands are too weak, and any patterns on the paper towel are not desirable...seriously, the patterns will show on your painting...and you won't like that)

**PURCHASE AT BROWER'S OFFICE SUPPLY**

**16 S Market St, Troy, OH 45373**
